What is the QR Code on my Transaction Receipt?

Please present this QR code for quick and easy check-in at in-person events. This code will be scanned by a member of our organization using our event check-in system.

Note: This QR code is not compatible with your phone's camera app and can only be used with our event check-in system. If this ticket is for a virtual event, you can disregard the QR code.

Need help? Learn how to use your QR code with our [step-by-step guide](#).
